

Serve You Rx Specialty Drug List

July 2017

Preferred brand-name drugs are listed in bold. Some medications are noted with letters or symbols next to them. The letters and symbols refer to pharmacy benefit programs and are provided to help you check which medications may have a program or limit. Your benefit plan determines how these medications may be covered for you.

Serve You DirectRx Specialty Pharmacy is the preferred specialty pharmacy for Serve You Rx members.

Walgreens Specialty is the preferred specialty pharmacy for limited distribution drugs not available through Serve You DirectRx Specialty Pharmacy.

This is not a complete list of specialty drugs and listing is not a guarantee of coverage. Selected drugs on this list may be excluded under your specific plan design and/or may be subject to quantity limitations or prior authorization depending on plan benefit design. Listings are subject to change. Selected drugs on the list, including limited distribution products, are not available from Serve You DirectRxSM Pharmacy. To find out if your specialty drug is available from Serve You DirectRx Pharmacy, please call 800-759-3203.
