

## Updates To Your Prescription Benefits

Effective July 1, 2019

The Prescription Drug List (PDL) groups medications by the conditions they treat. Each medication is placed in a tier that indicates the amount you pay to fill a prescription as determined by your employer or health plan. Please reference this chart as you review the following PDL updates.

**Tier 1**  
Lowest-cost medications

**Tier 2**  
Midrange-cost medications

**Tier 3**  
Highest-cost medications

### Medications moving to a higher tier

If your medication is listed below, you may continue taking it, but you may pay a higher cost. We encourage you to discuss the preferred option(s) below with your doctor to determine if they may be used to treat your condition.
